

CHAPTER 69  
RENOVATION, REMODELING, AND REPAINTING—  
LEAD HAZARD NOTIFICATION PROCESS

**641—69.1(135) Applicability.** This chapter applies to all persons who perform renovation, remodeling, and repainting for compensation in target housing.

**641—69.2(135) Definitions.**

“*Common area*” means a portion of the building that is generally accessible to all occupants. This includes, but is not limited to, hallways, stairways, laundry and recreational rooms, playgrounds, community centers, garages, and boundary fences.

“*Department*” means the Iowa department of public health.

“*Dwelling unit*” means a single, unified combination of rooms designed for use as a dwelling by one family.

“*Lead-based paint*” means paint or other surface coatings that contain lead equal to or in excess of 1.0 milligram per square centimeter or more than 0.5 percent by weight.

“*Lead-based paint hazard*” means any condition that causes exposure to lead from lead-contaminated dust, lead-contaminated soil, or lead-based paint that is deteriorated or present in accessible surfaces, friction surfaces, and impact surfaces that would result in adverse human health effects.

“*Living area*” means any area of a residential dwelling used by at least one child six years of age or less including, but not limited to, living rooms, kitchen areas, dens, playrooms, and children’s bedrooms.

“*Multifamily dwelling*” means a structure that contains more than one separate residential dwelling unit, which is used or occupied, or is intended to be used or occupied, in whole or in part, as the home or residence of one or more persons.

“*Renovation, remodeling, repainting*” means modifying any existing structure or portion of a structure where painted surfaces are disturbed, unless the activity fits the criteria of lead abatement as defined in 641—70.2(135) and is performed by a certified lead abatement contractor as defined in 641—70.2(135). This includes, but is not limited to, removing walls, ceilings, and other painted building components; window replacement; floor refinishing; and sanding, scraping, stripping, water blasting, or otherwise removing paint.

“*Residential dwelling*” means (1) a detached single-family dwelling unit, including the surrounding yard, attached structures such as porches and stoops, and detached buildings and structures including, but not limited to, garages, farm buildings, and fences, or (2) a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, which is used or occupied, or intended to be used or occupied, in whole or part, as the home or residence of one or more persons.

“*Target housing*” means housing constructed prior to 1978 with the exception of housing for the elderly or for persons with disabilities, unless at least one child, six years of age or less, resides or is expected to reside in the housing, and housing which does not contain a bedroom.

**641—69.3(135) Notification required.** Beginning on August 1, 1999, individuals who perform renovation, remodeling, and repainting of target housing for compensation, except for emergency renovation, remodeling, and repainting of target housing for the purpose of preventing significant property damage or threats to public safety or health, must do the following prior to commencing the work:

**69.3(1)** Provide the pamphlet, Lead Poisoning: How to Protect Iowa Families, to the owner and occupant of each dwelling unit where renovation, remodeling, and repainting will be performed.

**69.3(2)** Obtain a signed, dated acknowledgment from the owner and known occupant of each dwelling unit where renovation, remodeling, and repainting will be performed affirming that they have received the pamphlet and are aware of the potential health hazards from remodeling, renovating, or repainting housing containing lead-based paint.

*a.* The acknowledgment shall include the following language:

I have received the pamphlet entitled Lead Poisoning: How to Protect Iowa Families and am aware of the potential health risk associated with remodeling, renovating, or repainting housing containing lead-based paint or lead-based paint hazards.

*b.* Below the statement, the acknowledgment shall require the signature of the owner and occupant, along with their dates of signature.

*c.* The type shall be clear and legible.

*d.* The acknowledgment may be included as a separate sheet or as a part of any written contract or service agreement. The acknowledgment must be completed prior to commencing the work.

*e.* If the parties use a written contract or agreement which is written in a language other than English, the acknowledgment text shall be written in the same language as the text of the contract or agreement.

**69.3(3)** If the general nature, location, and expected starting and ending dates of the planned renovation, remodeling, and repainting change after the initial notification has been conducted, the individual conducting the renovation, remodeling, and repainting shall provide further notification to the owners and occupants providing revised information on the ongoing or planned activities.

**641—69.4(135) Notification required in multifamily housing.** Beginning on August 1, 1999, individuals who perform renovation, remodeling, and repainting of common areas for compensation, except for emergency renovation, remodeling, and repainting of target housing for the purpose of preventing significant property damage or threats to public safety or health, must do the following prior to commencing the work:

**69.4(1)** Provide the pamphlet, Lead Poisoning: How to Protect Iowa Families, an approved lead hazard information pamphlet to the owner of the multifamily target housing where renovation, remodeling, and repainting will be performed.

**69.4(2)** Obtain a signed, dated acknowledgment from the owner of the multifamily target housing where renovation, remodeling, and repainting will be performed affirming that the owner has received the pamphlet and is aware of the potential health hazards from remodeling, renovating, or repainting housing containing lead-based paint.

*a.* The acknowledgment shall include the following language:

I have received the pamphlet entitled Lead Poisoning: How to Protect Iowa Families and am aware of the potential health risk associated with remodeling, renovating, or repainting housing containing lead-based paint or lead-based paint hazards.

*b.* Below the statement, the acknowledgment shall require the signature of the owner, along with the date of signature.

*c.* The type shall be clear and legible.

*d.* The acknowledgment may be included as a separate sheet or as a part of any written contract or service agreement. The acknowledgment must be completed prior to commencing the work.

*e.* If the parties use a written contract or agreement which is written in a language other than English, the acknowledgment text shall be written in the same language as the text of the contract or agreement.

*f.* Notify each owner and occupant of the multifamily housing, in writing, of the intended remodeling, repainting, or renovation, and make the pamphlet, Lead Poisoning: How to Protect Iowa Families, available upon request. At a minimum, this notification shall be accomplished by distributing written notice to each owner and occupant of the target housing. The notice shall describe:

(1) The general nature and location of the planned renovation, remodeling, and repainting activity.

(2) The expected starting and ending dates of the planned renovation, remodeling, and repainting activity.

(3) A statement of how the owners and occupants can obtain the pamphlet, Lead Poisoning: How to Protect Iowa Families, at no charge from the individual conducting the renovation, remodeling, and repainting activity.

*g.* These activities shall be conducted by the individual planning to perform the renovation, remodeling, and repainting, or by the owner on behalf of this individual.

*h.* If the owner performs the notification activities on behalf of the individual planning to perform the renovation, remodeling, and repainting, then the individual planning to perform the renovation, remodeling, and repainting must retain a statement signed and dated by the owner of the dwelling describing the steps performed to notify all occupants of the intended renovation, remodeling, and repainting, and to provide the pamphlet, Lead Poisoning: How to Protect Iowa Families, at no charge upon request. Regardless of who performs the notification activities required in this subrule, the individual planning to conduct the renovation, remodeling, and repainting shall be responsible for ensuring compliance with this subrule and shall be liable for any failures to comply with the notification requirements in this subrule.

**69.4(3)** If the general nature, location, and expected starting and ending dates of the planned renovation, remodeling, and repainting change after the initial notification has been conducted, the individual conducting the renovation, remodeling, and repainting shall provide further notification to the owners and occupants providing revised information on the ongoing or planned activities.

**641—69.5(135) Emergency renovation, remodeling, and repainting.** Beginning on August 1, 1999, individuals who perform emergency renovation, remodeling, and repainting of target housing for compensation for the purpose of preventing significant property damage or threats to public safety or health must do the following:

**69.5(1)** Provide the pamphlet, Lead Poisoning: How to Protect Iowa Families, an approved lead hazard information pamphlet to the owner of the target housing where renovation, remodeling, and repainting are performed.

**69.5(2)** Notify each owner and occupant of the target housing, in writing, of the remodeling, repainting, or renovation, and make the pamphlet, Lead Poisoning: How to Protect Iowa Families, available upon request. At a minimum, this notification shall be accomplished by distributing written notice to each owner and occupant of the target housing. The notice shall describe:

*a.* The general nature and location of the renovation, remodeling, and repainting activity.

*b.* The starting and ending dates of the renovation, remodeling, and repainting activity.

*c.* A statement of how the owners and occupants can obtain the pamphlet, Lead Poisoning: How to Protect Iowa Families, at no charge from the individual conducting the renovation, remodeling, and repainting activity.

**69.5(3)** These activities shall be conducted by the individual performing the renovation, remodeling, and repainting, or by the owner on behalf of this individual. If the owner performs the notification activities on behalf of the individual planning to perform the renovation, remodeling, and repainting, then the individual planning to perform the renovation, remodeling, and repainting must retain a statement signed and dated by the owner of the dwelling describing the steps performed to notify all occupants of the intended renovation, remodeling, and repainting, and to provide the pamphlet, Lead Poisoning: How to Protect Iowa Families, at no charge upon request. Regardless of who performs the notification activities required in this subrule, the individual conducting the renovation, remodeling, and repainting shall be responsible for ensuring compliance with this rule and shall be liable for any failures to comply with the notification requirements in this rule.

**641—69.6(135) Record-keeping requirements.** Beginning on August 1, 1999, individuals who conduct renovation, remodeling, and repainting for compensation in target housing shall retain all records necessary to demonstrate compliance with this chapter for a minimum of three years following completion of the renovation, remodeling, and repainting. The records shall include:

**69.6(1)** The address or location of the target housing where remodeling, renovation, or repainting was conducted.

**69.6(2)** A list of all known occupants of the dwelling units where renovation, remodeling, or repainting was conducted at the commencement of the work.

**69.6(3)** Copies of signed, dated acknowledgments as required by subrule 69.3(2) from each owner and occupant of a dwelling unit where renovation, remodeling, or repainting was conducted.

**69.6(4)** Copies of signed, dated acknowledgments as required by subrule 69.4(2) from each owner of multifamily target housing where renovation, remodeling, or repainting was conducted in common areas.

**69.6(5)** Copies of all signed, dated statements of notification, as well as copies of all notification materials to all owners and occupants as required by acknowledgments as required by subrule 69.4(2) from each owner and occupant of multifamily target housing where renovation, remodeling, or repainting was conducted in common areas.

**641—69.7(135) Enforcement.**

**69.7(1)** The department may enter the place of business of an individual who conducts renovation, remodeling, and repainting for the purpose of enforcing the notification required by this chapter.

**69.7(2)** The following are considered to be in violation of this chapter:

- a.* Failure or refusal to comply with any requirements of this chapter.
- b.* Failure or refusal to establish, maintain, provide, copy, or permit access to records or reports as required by this chapter.
- c.* Failure or refusal to permit entry or inspection as described in subrule 69.7(1).

These rules are intended to implement Iowa Code Supplement section 135.105C.
